## Bloody Marys

### It's Always Sunny.... 13

The Mediterranean... hot sun, cool breezes and fresh aromas, this Bloody Mary is for those who love things tapas style. We combine chargrilled peppers, green olives and tomato juice with Tanqueray 10 gin, Tio Pepe Fino sherry and Worcestershire sauce. If you're a fan of gazpacho soup then this should hit the spot.

### Michelada 8

A staple in Mexico.... think of it as a cross between hair of the dog and a Bloody Mary, so it's a double barrelled hangover cure. In Mexico, the Michelada has many forms we keep it simple with crisp, dry Asahi and a spicy Bloody Mary.

### Classic S&W 12

Our classic Bloody Mary is exactly that... classic. Belvedere vodka, Worcestershire sauce, freshly grated horseradish, red and green tabasco and freshly squeezed lemon juice.

### Ohh mami! Umami! 14

For those in an adventurous mood you could try our Japanese inspired Mary. The base spirit is award winning Nikka from the barrel, which is a robust and slightly smoky whisky with quite a kick, coupled with the Japanese umami spice mix shichimi, soy sauce and wasabi for heat. For an added pick me up we also add bamboo charcoal known all over East Asia for its digestive properties

### RevolutionMary 13

This French inspired imbibe breaks the norm of a classic Bloody Mary. French red wine, dry French vermouth and a touch of Cognac are the replacements for the usual vodka, whilst the Worcestershire sauce is replaced with a classic Dijon mustard vinaigrette. Sounds like it wouldn't work but then again at the time many people had reservations about the revolution! Vive!

### Bloody Shame 5

Not everyone wants alcohol in the morning and for those who don't we have a classic non-alcoholic Bloody Mary.

### Danger! Danger! High Voltage!! 13

Warning this is no JOKE!!! We have set out to create one of the hottest Bloody Marys in London.... The vodka is infused with Scotch bonnets, the tomato juice is mixed with a spicy chilli salsa and even the Worcestershire sauce is infused with chillies, let us reiterate this is bloody hot stuff only order if you are a true chilli fan... we serve it with some chilled coconut milk on the side known for its chilling properties.... Be warned!!

### A'mary'ica 12

You wouldn't immediately think bourbon and tomato juice would work but when you add powdered Worcestershire sauce and chipotle and Coca Cola hot sauce into the mix, you'll wonder why you haven't tried it before.

### Happy Mary 11

For those who want to cut straight to the chase and not mess around with tomato juice and spices. Simply premium Belvedere Vodka on ice.
